Zad. 1

Dear Mr. Smith

I'm interested in **(1) renting** your flat. My last parrot died last year and I thought that taking **(2) care** of your parrot would be great. I'm really good **(3) at** looking **(4) after** parrots and other pets. I would like to rent your apartment for two months. Tell me please if I could move **(5) into** the apartment this week.

If possible, I would consider **(6) staying** even longer because I am studying in this region. I'm really curious **(7) about** the furniture, especially the kitchen. Let me **(8) know** about the equipment, please.

Kind regards,
XYZ

I'm really worried and I hope you **(5) will change** (change) your mind.

Playing on a computer every single day **(6) causes** (cause) that you are tired and it's unhealthy. To change it you could go and play outside with me and our friends.

I hope you'll consider **(7) spending** (spend) your time in a different way.

Good luck,
XYZ

Zad. 4

Hello Hannah!

I **(1) hope** (mam nadzieję) the weather in UK isn't **(2) as bad as** (tak zła jak) it is in Poland...

Do you **(3) remember** (pamiętasz) when we **(4) went on a trip** (pojechaliśmy na wycieczkę) to Spain last year? We were at this awesome **(5) basketball match** (meczu koszykówki) and surprise! I went to this team's match once again!

It was in Poland! So on September 19 I went there and the first thing I **(6) saw** (zobaczyłem) was that they had a new player! I didn't know that, did you?

In the first 3 minutes they already **(7) scored** (zdobyli punkty) twice! It was **(8) amazing** (niesamowite) to watch it. At the very end I **(9) took a picture** (zrobiłem zdjęcie) with them! I posted it on Facebook, hope you saw it and liked it 😊 I'll definitely go there once again!

Hugs and kisses,
XYZ

Zad. 5

Hi Jenna!

My grandmother **(1) is having** her birthday the same day that Henry is having his. I'd really **(2) love to** go to Henry's birthday party and **(3) help** him prepare it but my family is more important to me and I **(4) haven't seen** my grandma for weeks!

Could you please help him **(5) instead** of me? I'll make sure to **(6) take** you to the cinema after!

Let me **(7) know** if it isn't a problem for you.

Lots of love,
XYZ
